## **EDUCATION:**

Graduated High School (Grade 12) 1975

Three years formal education in architecture 1972 to 1974.

Two years of Business Management 1976 to 1978

## **WORK EXPERIENCE:**

### **Nelwood Manufacturing. Calgary, Alberta. 1974 to 1975**

Labourer with construction crew building plane hanger and showroom for Masse Ferguson in Olds, Alberta.

### **Self Employed. 1975 to 1981**

With Brother and one associate formed a framing crew constructing single family and Multi family dwellings in Surrey and in Kelowna, B.C.

### **New Horizon Construction Ltd., North Vancouver, B.C. 1981 to 1985**

Construction foreman for development company. Included supervision of six complete single family dwelling renovations from demolition to completion. Duties also included sales and estimating of other projects taken on by this Company.

### **Prospec Building Inspection Services, 1985 to present:**

Prospec was developed to provide comprehensive condition disclosure inspections for the residential and commercial real estate industries. To date over 1100 commercial/industrial and 3190 residential inspections have been performed. During the earlier years I also acted as Mr. John Nielsen's assistant who was the Clerk of the Works on projects such as the B.C. Pavilion at Expo 86, St. Vincent Hospital a 285 Bed Extended Care Facility, and the Thomas Haney Center a large high school.
